Collecting your exam results

The summer exam results are available in school from 08.30am – 11.30am and you are **strongly advised** to come into school and pick up your results for the summer exams. Some school staff will be available on these mornings to give you help and advice, as well as providing information on post-results services.

For linear GCSE subjects (including Maths and English Language) you may need to know your exact mark, and this information is not on the results slips – the results slips will only show the final grade awarded.

Please note that results will not be e-mailed or given out over the phone.

You can provide a stamped, self-addressed envelope, or provide a signed covering letter giving someone else permission to pick up your results, but be aware that you need to be in school if you wish to discuss your results, options and post-results services.
